

Fullerton College Diversity Committee Open Forum Petition for Support

It is our belief that the Diversity Committee should always consider the voices of all campus constituents. Thus, it shall be the expressed intent of the Diversity Committee to encourage active engagement with all possible campus entities in its effort to meet its mission and purpose. Thus, the committee shall set aside time at the end of each meeting to allow campus entities (students, faculty, staff, and administrators) to address the committee for the purpose of information, education, petition, support, and issues related to campus climate.

Petitions may be submitted in person during Open Forum or sent to the Diversity Committee secretary—Cadena Coordinator at the Cadena/Transfer Center, College Center, Room 212. Please note that the Diversity Committee meets on the third Thursday of each month; so please submit your request in a timely manner.
