Only **ONE** design per student can be accepted.

Judging Criteria and Process:

The work must be newly-created work and cannot be already-existing work that was previously juried, published, featured, exhibited, or (previously or concurrently) entered into other contests, galleries or promotions.

Once submitted, all entries will be forwarded to art faculty for jurying. Faculty members will select the top 8 bookmarks for display in the library. Criteria considered includes: visual impact, interpretation and creativity, composition, and craftsmanship. Once the top eight bookmarks are juried, students can then vote for their favorite bookmarks. Talled votes will determine the winners. In the event of a tie, a staff member will be called upon to cast the tiebreaking vote. Voting activity will take place in April for one week.

There will be a first, second and third place winner as well as a special Librarian's Choice winner. The prizes will be \$200 for first place, \$100 for second place, and \$50 for third place. A \$50 FC Bookstore gift card will be given to the Librarian's Choice winner. The winners will be announced near the end of April.

The top 8 bookmarks will be selected and reproduced for distribution in bookmark form to promote our library services with the student's name and design prominently featured on each bookmark. Each selected student will also get 100 bookmarks with their design.

Participating students who submit bookmarks are responsible for submitting original work. Derivative artwork from other licensed or copyrighted works is NOT allowed and will be disqualified.
